

Communication_TransmitStop
Transmitting

```
graph RL; loop[loop] --> stop[Communication_TransmitStop Transmitting];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'Communication_TransmitStop' on the top line and 'Transmitting' on the bottom line. The box on the right is white with a black border and contains the text 'loop'. A dark blue arrow points from the right side of the 'loop' box to the right side of the gray box.
