

Communication_TransmitPing

```
graph RL; loop[loop] --> Communication_TransmitPing[Communication_TransmitPing];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'Communication_TransmitPing'. The box on the right is white and contains the text 'loop'. A dark blue arrow points from the 'loop' box to the 'Communication_TransmitPing' box, indicating a call or interaction from the loop to the transmit ping function.
